MANASSES

Manasses is the lost tribe of Isra-El. This
lost tribe comprise the English people, and
the white people of the U.S.A. and Australia,
the French and the so called Jewish people
plus the "Negro" of the U.S.A. including the
Moslems and Muslims.

All of this divided people are idolatry God
worshippers of Mysticism and Mythology.
They oppose the Moabite and Moorish Science
of the Twelve (12) signs of the Zodiac as a
result of thier beliefs in Mythology, Ism and
Idol God Worship.

The truth needs no apology so fear ye not....

INTRODUCTION

Truth Cannot Be Altered, and Therefore Need No Apology
And Neither Doctrine, So Fear Not.

E pluribus unum, Latin, meaning 'one nation of many races.' "White Men" Moors: Chief Tall Man Dan, Chief Black Thunder and Chief Two Guns White Calf were (Eric's) the Red Skinned "Irish, German, Dutch, Scotts, and English, and Franch," (one) of the Amazon Valley. Chief Two Guns White Calf, on the buffalo nickle wore the Moorish Star and Crescent and the Circle of the Zodiac with the Moorish Swastika. The swastika represents the square of an angle of 90 degrees—East, West, North and South. The names such as: MORMON, MOHAMMED and MO-HAWK, were derived from the name (MOOR.) The Moorish nation and the Amazon red skinned "white" peoples has been well blended, flavored and beautified to perfection through a long free process of cross sexual relation. Therefore, the 150,000,000 inhabitants of the U. S. A. constitute the Moorish nation of the North Gate who must be redeemed and civilized by the Moorish Universal Scientific law of the 12 Signs of the Zodiac before the world can enjoy peace. It is impossible for civilization and peace to be achieved by force of arms, violence and war. Only uncivilized peoples have to rely on force and weapons of human destruction for their protection.

When the heads of a governmental society have to endeavor to enact a law to force its citizens to recognize and equally respect the loyal dark and brown skinned masses of humanity as equal human beings like themselves, then the citizens of that government society are definitely not civilized. Facts cannot be altered and therefore need no apology. When the educators of the said governmental union society are afraid to teach the necessary truth, then the educators and citizens are definitely economic and social slaves, and therefore cannot be Free Master Masons and Eastern Stars.

Therefore, it is my moral duty as a Free (MOORISH American—Master Mason to clearly explain the necessary truth in order that the unfortunate slaves of this great Moorish nation, might be set free and thus become in reality Free Master Masons and Eastern Stars.

Do you know of any being that is superior to you and your mother? Well, you might acquaint yourself with the (333). 3 into 9 goes 3 times, which equals the 3rd and 33rd degrees, meaning 9 months from conception to birth, 3 times 3 equals 9, (the three threes.) The letter I corresponds with the golden number 9 which makes you and me the great I, first supreme law and 3rd 33rd and 360 degrees Freeborn Master Masons and Eastern Stars and therefore cannot be made over again.

"ISIS", equals (woman, moon and earth)—the great triangle (3 in one-powers) of infinite creation of children, water and plant life—foodstuff—life and existence. The double headed eagle represents the (Sun) on the equator, 29 degrees in the 6 sign VIRGO of the Zodiac and no degrees in the 7 Sign LIBRA, on Sept. 23rd and 24th which occurs every year in Brazil, South America, 180 degrees East longitude and zero. Thus, the U. S. A., Canada and

West Indies lie in the (FAR EAST) according to the Zodiac universal map of the Moorish nation—the measurement of man's progress.

Thus, instead of us expecting the Wise Men of the said Far East abroad to come here to liberate or redeem the world, it is in reality the peoples in the U.S.A.—the Far East, who shall redeem or liberate themselves by the 12 Signs of the Zodiac. They then would liberate the rest of humanity abroad by it rather than by the force of arms, tanks, atomic bombs, jet planes and the missionary doctrine of religion which has already served its purpose and zero. Force of arms and the American religion spell total defeat.

RELIGION IS FOR IGNORANT PEOPLE WHO CANNOT READ.

I AM AN INFORMER. THE TRUTH WILL ENABLE
THE READER TO REFORM HIMSELF

The cycle of Mars and Jupiter, the carbon diamond elements and the oldest and the hardest stones of creation.

The Amazon Red Skinned "white" (Moors) progress was guided by the cycle of the planet Jupiter and the planet Mars, from 1789 to 1933. A period of 144 years. Mars passes through the 12 Signs of the Zodiac 72 times in the course of 144 years. And Jupiter passes through the 12 signs 12 times in the course of 144 years. Thus from 1789 to 1933, spelled the rise and fall of Rome on a universal scale—(Romance.) F. D. R. was aware of his being the last president of the 144 year progressive cycle of the Roman Universal influence. When he established the New Order or New Deal idea and broke the Roman order record by ruling 12 years—the measurement of man. I, the writer, was born under the 12 sign Pisces on March 6, 1897. The era of the victory age.

Writing this little book was my birth assignment in this life which I could not evade. So fear not and read this book to the end and thus become a Free Master Mason and Eastern Star, guided by practical wisdom of the universal law of the Moorish nation namely, the Zodiac.

Mars governs the force of action and evolution and Jupiter governs the height of human progress every 144 years, supported by Mars the planet of action, but definitely not for war among civilized masses of humanity as you have been taught to believe. Uncivilized masses of humanity have to fight and destroy one another. So face the fact and ask yourself this question: How can a nation protect the freedom and civilization which it has never had?

MOORISH RED FEZ

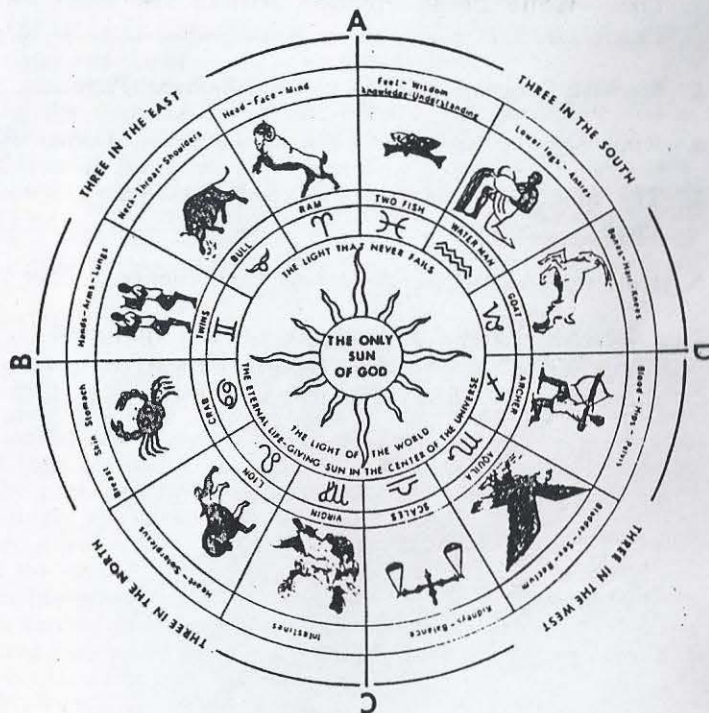

The Red Fez of the Moorish nation represents Atlas—the human head and earth. The tassel of the Fez represents the center of the universe, namely the human head and the force of gravity which attracts all objects and draw them to the center of the earth and human beings. Here you are referred to the sign Virgo, and the sign Pisces in the diagram of the Zodiac on page 33.

FORWARD

While reading this book, you are advised to endeavor to be guided by common sound reasoning rather than by emotions as the result of your traditional belief in the doctrine of religion.

I am aware of the fact that the illustration of the science of the 12 signs of the Zodiac, and the history of the MOABITE nation, the MOORISH nation and the FRANCISCAN ANGLO-SAXON nation, are confusing to the reader owing to limited education of the majority of the masses—since the FRANCISCAN Union states of North America in 1863. The true history is thus: the MOORISH nation rose out of corruption of the MOABITE nation of this hemisphere one thousand three hundred and seventy one years ago; the FRANCISCAN nations rose out of corruption of the MOORISH nation of this hemisphere in 1863, the era of the union. The only true history during the past one thousand three hundred years, is that of the MOORISH nation.

The history of the MOORISH nation of this hemisphere has been hidden or suppressed ever since the union. And now the approaching World War III, and with the atomic bomb on both sides of the earth, the time is ripe for the revelation of MOORISH history. In all of my writings, it has shown to be very clear that I am not a heathen by condemning all religions including my own religion of Islamism. Because I always have something constructive to offer in place of my universal condemnation—namely the absolute science of the law of nature as shown in the 12 signs of the Zodiac. I am not interested in religion and the "GOD" no one has ever seen. I am interested only in the solving of my economic problem and helping others to solve their problems in the most reasonable and intelligent manner, in order that I may continue to solve my problem economically. In other words, I am only interested in self and humanity because each individual depends upon one another for existence. I am not a religious hypocrite. How can one love "GOD" whom they have never seen, and hate human beings like themselves whom they see? This is hypocrisy in its highest form. An individual or a nation will have to first become self enslaved to its own false doctrine before it can indoctrinate others.

In the year 1946, Elect Gov. Talmadge of Georgia, asserted that

the Negroes had a 150 year old artificial culture from which prevented them from being qualified to demand respect and equality from the White people of the United States of North America. I fully agree with Talmadge's assertion, but Talmadge appeared to be ignorant of the fact that he was a member of the United States. A nation which unfortunately became self enslaved to the said artificial culture before they could force the defeated MOORISH nation's descendants referred to as Negroes to accept the doctrine of the image of the White woman and the White man, referred to as MARY and CHRIST.

One hundred fifty years subtracted from 1946 equals 1796—the era which resulted in the fall of the MOORISH Navy on the Great Lakes. Thus, the MOORISH history reveals that before the descendants of the MOORISH nation, referred to as Negroes, can be liberated from the artificial culture of religious worship of the union Idol GOD PAGANISM, 95% of the White people of the 48 United States will have to first become liberated from the National and International said artificial religious culture. All National and International evidence point toward the fact that the FRANCISCAN-ANGLO-SAXON artificial culture since the union of 1854 in Philadelphia, Pa. has unfortunately made 95% of the population of the U. S. A. the greatest unconscious self enslaved people that the world has ever known. Such unconscious enslavement of this great nation, the U. S. A., has made Joe Stalin's process look like "Ned" in the First Reader. If you are doubtful of the history and science of the Moorish nation your forefathers, as shown in this book, you might ask some educated "White" person or school teacher this \$64.00 question: "What was the correct name of the peoples of North America prior to the Revolution and the Union of 1863, before they were named 'Indian,' 'African' and 'Negro?'" The correct answer is: MOOR.

IF I WERE A "WHITE" PERSON OF THE UNION CHRISTIAN RELIGIOUS SOCIETY OF THE U. S. A.

If I were a "White" person of the Union Christian Society of the U. S. A., the terms such as: God, Church, Religion, Justice and Democracy would be most embarrassing to me. For many years, the God loving, Church-going, prayer-meeting, Democracy-loving "White" people of the union order of Christ and Mary, have allowed the young dark skinned woman to be victims of rape and seduction by the "White" Christian men on a universal scale, and mob violence against the dark-skinned men, and lynching them in the U. S. A. and in Union South Africa about the "White" Women, and the dark-skinned women of whom are the "White" men's slave sweethearts. All of this universal evidence against the God loving, prayer-meeting, Democracy-loving "White" people of the U. S. A. has made it appear that the "White" people of the U. S. A. and abroad have no conscience. This is meant they have no reasoning powers to distinguish between right and wrong, as the result of their 1863 union Christian obligation code of white supremacy, North America. "Crime doesn't pay."

The passing and enforcing of the Anti Lynch bill, the Civil Rights bill, and the F. E. P. C. bill, is a major violation of the Christian obligation code of the Union States of 1863. The filibustering of these bills by the law makers of the 48 states influenced me to resort to research. My findings are explained in this little book, CLOCK OF DESTINY.

THE PAST AND THE PRESENT

Tomorrow never comes, and neither does the future ever comes. It is always yesterday and today. And the past and the present.—FACTS.

Thus the 12 signs of the Zodiac, Moon, Sun and the 7 Planets comprise the only unchanged book of nature which reveals the history of human development in past ages. And it also gives the master key solution to our present economic and social problems nationally and internationally. The names (Jesus and Jesute) were derived from Justinus, meaning justice.

THE MYSTERY OF BABYLON OR THE TOWER OF BABEL

The mystery of Babylon or the Tower of Babel, represents the 48 states of North America, divided against itself. Each of the 48 states has its Capital and Code of Traditions different from each other, which represents 48 different nations speaking the same language—English, but cannot agree or understand one another on the necessary problems; that is to say, solution to necessary problems for the economic and social benefit for the common masses collectively owing to traditional state rights Code.

Each of the 48 states has the right to protect its Code of Traditions. This results in confusion of tongues, as the result of debates and filibustering over that which is right and that which is wrong according to states right traditional standard. All of which spells the Mystery of Babylon—the Tower of Babel—CONFUSION. A house divided against itself cannot stand.

Twelve is a universal standard of measurement and human moral principle standard of law of living, minus customs and traditions. Customs and traditions are debatable, but the universal twelve standard law principles of living are absolute, meaning perfect and, therefore, are not debatable.

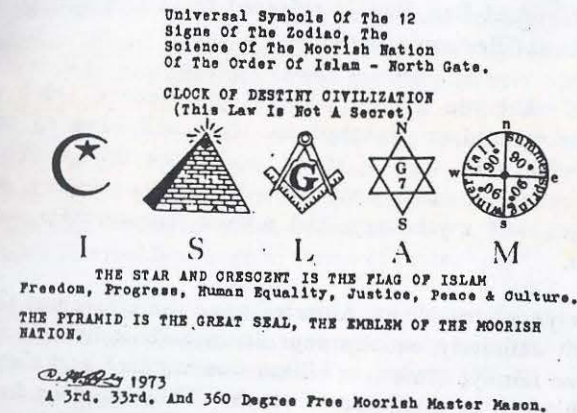

"SEEK LIGHT"

Light means KNOWLEDGE. Knowledge is power, it spells FREEDOM. FREEDOM IS EVERYBODY'S JOB, on a universal scale.

For instance, if a card shark was cheating you in a game of cards, it would be unintelligent to resort to force against him. Your most intelligent act is to seek one who teaches the art of card cheating. Have him to teach you all angles of card cheating. Here you are well equipped with the necessary knowledge by which it will enable you to protect your money while engaged in a game of cards with cardsharks. And as soon as they discover that you are wise to all of their tricks, the card sharks will automatically respect you as their equal thereafter. And as the result—the old game of cards between you and them will be played on the square minus violence or hatred or fear. Ignorance

creates violence, brute force and destruction. But wisdom, correct knowledge and understanding creates unity, peace of mind, freedom, progress and the pursuit of happiness. FREEDOM IS EVERYBODY'S JOB. The contents of this book will free you from the name "Negro" slave.

The following are the five symbols of the twelve signs of the Zodiac which represent the universal law and CONSTITUTION upon which CIVILIZATION is founded.

Did you ever stop to think that the Pope and every ordained Priest of the Catholic Church are master astrologers? These master astrologers are the ones who have long suppressed the science of the Zodiac by way of negative religious mystery or superstition. Only selfish dictator master astrologers can enslave the human minds to false Gods and religion. And it requires only unselfish master astrologers to expose the mystic angle of astrologers priesthood dictatorship. And thus set the human enslaved minds free. Now you may continue reading the unselfish astrologers side of the law.

"Prince Hall" is only a mystic name. So also King Solomon, Hiram Abiff, Queen of Sheba and David are only mystic names.

These scientific universal symbols of the works of nature, are definitely not idol God worship. Only the statues of dead women and men referred to as Saints and prophets, are idol God worship—dead culture.

In the year 1215 Moorish calendar year, which is equivalent to 1795 (Crusade-Croix) or Christian calendar year, in the region of (Anglia-Belgium-Armsterdam) known today as New York City, the Empire State. A fearless Free Moorish astrologer and mathematician by the name of (BEN BEY) laid the foundation of the Universal Apprentice Hall of the science of government, human character, unity, human equality, justice and peace (Sa-laam) upon the 12 signs of the Zodiac and the 4 squares of 90 degrees. And termed it the (Hub) of the universe for perpetual universal freedom. This foundation is referred to as the (White House) D. C. And Ben Bey is referred to in Crusade U. S. A. history books as "Benjamin Bannicar."

You are what you know, not what you believe. One never knows by being told or preached to. One will have to acquire applied knowledge by way of study, and prove that which they know by practical scientific demonstration minus mystery, mystic phrases, signs and mythology, and mystic passwordism, and secret clanism.

We, the people of North America have the Universal Constitution which definitely equally represents each individual of the entire human family, some two billion one hundred and sixty million upon this ball of mud termed earth. Thus in order for each individual of the U. S. A. to understand the five great principles of our Universal Constitution, it is necessary that they be taught every degree of the science of Astrology, the 12 signs of the Zodiac, the complete circle of 360 degrees which represent the whole of Creation—space and time and the MASTER KEY OF CIVILIZATION. Yes, the Universal constitution has, and always will, remain in North America, referred to as the North Gate or the HUB of the Universe—180 degrees east longitude, and therefore definitely cannot be destroyed by foreign powers, and neither us. Freedom is everybody's business.

The majority of the peoples of the U. S. A. have an education superior to that of the majority of the masses of humanity in foreign lands. We have mastered every category of science. Now we have the last category of science to master; namely—the science of Astrology—the 12 signs of the Zodiac which is the father of sciences. Owing to the education of the majority of the masses of the U. S. A.; they, on a national scale, could complete the necessary course of Astrology in six months. It has al-

ready been stated that the 12 signs of the Zodiac is Universal, and that North America is the North Gate and the HUB of the Universe or Zodiac, 180 degrees. Please do not label me as a prophet and neither your leader. I am only the son of a widow—the great leader, namely, MOTHER.

One who possesses knowledge of Astrology, the ZODIAC, does not have to rely on a belief to be saved. Astrology prepares one to be saved by way of knowledge minus a belief. GNOS, ATHEIST, INFIDEL, are all Latin terms meaning knowledge or to know and prove that which you know in a practical scientific manner minus relying upon a belief and opinion. A belief and opinion are not absolute sound for ones to rely upon for perfection and economic and social progress. But the 12 signs of the Zodiac comprise the circle of 360 degrees of absolute Universal perfection of the science of geometry. Geometry has never told a lie. 90 is not a mystery and neither a theory. 12 is not a mystery and neither opinion, belief or theory. These two figures speak one universal language in terms of facts.

Yes, the numbers 9 or 90 and 12 are definitely not debatable. The science of the Zodiac will automatically expose every undercover act of mankind universally, including the so-called moral doctrine of organized dictatorship over the human minds and reasoning.

The two schools of thought. There are two schools of ideals in the U. S. A., namely, Theology and Masonry. Thus, in order for the masses of the U. S. A. to maintain and increase their liberty or freedom, one of these schools of ideas must resort to the teaching of the science of the 12 signs of the Zodiac. Well, out of these two schools of ideas only one is qualified. This one is referred to as the Masons. Yes, we must increase our liberty by solving the nation's crucial problem by the square—an angle of 90 degrees.

WHY THE ASIATICS ARE RISING SO RAPIDLY

The teaching of the science of the 12 signs of the Zodiac is rapidly spreading in the ASIATIC world, to fulfill with the majority of the common masses in the course of time. Freedom is everybody's job. The population of the U. S. A. appears to con-

tinue to rebel against the science of the 12 signs of the Zodiac owing to their belief in the doctrine of theology being their only salvation. You might look up the terms IDOL and PAGANISM in a first class dictionary for definition, and then draw your own conclusion by reason. If we, the peoples of the union of North America, are not careful, those so-called ignorant ASIATIC masses of humanity will rise by way of the 12 signs of the Zodiac as our superiors in practical economic and social knowledge or culture, but not to enslave us. We will have to rise by way of the Zodiac to make progress on equal bases along with them or else remain our own slaves relying upon impractical ideas or doctrine. Knowledge is power. Freedom is everybody's job.

What is the Zodiac?

The Zodiac is an unchanged map of the universe which comprise 360 degrees. The Zodiac is equally divided into four angles or squares of 90 degrees which represent East, West, North and South; and fire, water, air and earth; and spring, summer, fall and winter. Three times four equals twelve. The Zodiac is also equally divided into twelve zones of thirty degrees each, which represent the 12 months termed a year, and the 12 signs from which reveals human character, talent, action and reaction and the great law of cause and effect universally.

What is Astrology?

Astrology means Astro-logic or logic of the works of nature as shown in the 12 signs of the Zodiac—having to do with solution to problems and human characteristics.

Revelation:

The term revelation means to reveal or to make known to that which has been suppressed or shielded by selfish people of organized dictatorial nature. Well, in the book of John, Revelation, the Zodiac is referred to as the 12 foundations, the 12 Gates, the seven seals, the four squares and the measurement of man. The term, MINEVAH, means the NO. NINE. Thus, the Zodiac of 360 degrees is squared by the number 9. Thus, this Revelation means the very end of the doctrine of mystery, mythology, and organized theological dictatorship, and the rise of humanity with civilization; namely, the science of Astrology—the 12 signs of the Zodiac. Here the entire earth will become that great City,

"MINEVAH," the number 9, with freedom, justice, peace and economic and social progress.

Let us remember that the atomic bomb of August 6, 1945, dropped on the Asiatics has made it possible for the entire human family to be set free of theological dictatorship. Geometry has never told a lie. After one has been taught the applied culture of Astrology—the science of the 12 signs of the Zodiac—they will well understand what the mystic phrase "TUBAL CAIN" means to them in their economic, and social stride. "TUBAL CAIN" is one of the great passwords in mystic masonry.

I, C. M. Bey, am a free born MOORISH American, and well recommended by my universal law—the science of the twelve signs of the Zodiac—in which I inherited from my MOORISH forefathers of this Northern hemisphere, who ruled the world and the seven seas for eleven hundred and ninety six years—to the FRANCISCAN REVOLUTION of 1789 and the Union of 1863-1898. The last three hundred years of the eleven hundred and ninety six years of MOORISH world rulership, the half-breed generations of Moorish fathers, suppressed the science of the 12 signs of the Zodiac by brute force, from which resulted in mass ignorance, hatred, slavery, social caste, brutality, war, bloodshed and destruction. From this resulted the fall of the MOORISH nations order of ISLAM namely, the science of the Zodiac, and the rise of the FRANCISCAN ORDER OF ROME in the North Gate—North America, to rule the world and the seven seas up to 1941-1948. I have attempted to convey to the reader that the Moorish nation violated the universal law of the Zodiac, which resulted to total corruption and their fall. The FRANCISCANS inherited the Moorish corruption, and ruled the world by it to the present. Both nations are equally guilty for their violation of the universal law—the 12 signs of the Zodiac. Well, the 12 signs of the Zodiac—the universal constitution is still here in the North Gate—the HUB of the universe. And so are the MOORS, and the AMAZON FRANCISCANS. They are referred to as "Negroes, Indians and White" people in North America, and no other place in the world. There has never been any people such as Negro, Indian and White. Such names are in reality a universal crime against humanity, so let us resort to the Zodiac and thus become as united American citizens for the first time in history. Freedom is everybody's job.

1025 Moorish Calendar, or (1605) Franciscan Calendar:

The evil act of the MOORS and the AMAZON FRANCISCANS of South America, contrary to the Zodiac, automatically converted the entire world—the minds of humanity, in that which is termed a living “hell” during the past 400 years.

The Fathers of Civilization and Offsprings:

1. The dark skinned, kinky-haired, thick-lipped MOABITE nation are the fathers of civilization—North, Central and South America.
2. The dark-skinned, kinky-haired MOORISH nation are the direct descendants of the MOABITE nation. The term MOOR means navigator of the seven seas, guided by the North Gate—pole star. The Moorish nation prior to the Revolution and the Union of 1863 in North America, is referred to as: Spanish.
3. The ruddy or red-skinned “White” AMAZON FRANCISCAN nations, are the experimentation descendants of the MOORISH nation.

E-PLURIBUS UNUM is Latin meaning; one out of many races, caste, color and sub nations. The great Seal on a U. S. one dollar bill is that of the Moorish nation.

It is contrary for a victorious nation to put on its currency the head of the defeated nation. Well, the head with the feathers on a U. S. early penny referred to as Indian, is that of the “White” AMAZON woman. And the head with the feather on the Buffalo nickel is that of a “White” AMAZON man. The Red Skins.” The (feather) and the (eagle) symbolize the height of their rulership and mystic Royal Crown at the top of the world—North Canada.

The term FRANCISCAN means, freemen or FRENCHMAN, or FREEDOM and LIBERTY: FRANCHISE: which automatically made North, Central, and South America the first FRANCE, and the peoples FRENCHMANS, and spread abroad. The terms German and Jew were derived from Jurimin or Juriman, based upon the 12 signs of the Zodiac. Each sign of the Zodiac is considered a jury. And the 12 signs are referred to as the 12 Jurimans. The 12 signs of the Zodiac is squared by 9. Nine goes in-

to 360 degrees 40 times. Thus, the number 9 represents the nine judges of the supreme court—federal gov’t. Masonry or (Islam.)—I AM, the widow son of 9, the first law.

STAR SPANGLED BANNER THE NATIONAL ANTHEM OF THE UNION STATES OF NORTH AMERICA—1863

Was written by Francis Scott Key (scott free) during the decisive war between the Franciscans and the falling MOORS, in the year 1814, which is equivalent to the year 1234 Moorish Calendar Year. For many years the Union States of 1863 had no official National Anthem. Finally it was adopted as the National hymn.

THE STATUTE OF LIBERTY ON BEDLOE'S ISLAND IN THE BAY OF NEW YORK

Was designed by Bartholdi, and presented by the (Franchise) or Free people of the Union States in the year 1881 in honor of the victorious daughters of the American Revolution who overthrew the Moorish Society of Islam. The statute was completed in 1886. On Ellis Island all “White” foreigners are taught to uphold the Union States right myth of white supremacy before they can qualify for citizenship in good old U. S. A.

THE STATUTE OF THE CHRIST OF THE ANDES IN ARGENTINA, SOUTH AMERICA

Was erected in the year 1892 in honor of the Free (Franciscan) sons of the Union Army of the North America Republic of 1863 who defeated the last of the Falling Moorish Nation from Cuba to the Islands of Hawaii and the Phillipines between 1863 and 1898. The falling Moorish nation are referred to in U. S. A. history books as: SPANISH.

The MOORISH nation, Latin Sir Names: (BEY) and (EL.) These Sir Names are the Moorish descendants of America without legal due process. . . Your Moorish nationality and name: (Bey and El) comprise your birthrights which will change you from being a U. S. A. Negro slave to a respected citizen.

1. BEY means Lord of the earth—meaning subdue the earth and make it yield all of the necessities of livi-

hood. Thus, the earth O'BEYS. Islam means (I AM) the great. (I AM) namely, you and me—woman and sons.

2. El means the center of wisdom or gravity—the law of attraction and the power of the human mind. EDUCATION.
3. ALLAH means the MOORISH woman, who is the Mother of Modern humanity, male and female of all different shades of skin or colors.
4. AL KORAN means the CHRONOLOGICAL record of the MOORISH nation—namely, the science of the 12 signs of the Zodiac—the universal Law and constitution—geometry—the square an angle of 90 degrees.

The Franciscan union states right society of 1863 North America and abroad is guided by the MAGNA CHARTER, and not the Constitution. The following reveals how the barbarians of North America, the tribe of the (AX) and the tribe of the (SPEAR) allied together and became the ruler of the world and the seven seas, between 1828 and 1898.

The terms: Anglia means Spear, and Sakai means Ax-Latin. The terms English and Anglo were framed from Anglia, and the term Saxon was framed from Ax. Phrased together brought about the Anglo-Saxons in North and Central America and spread abroad. The Anglia or English language was framed in 1828 in Virginia. From which resulted in the birth of the new world and new nation. Prior to 1828, the FRANCISCAN tribes were speaking various dialects of Latin, the language of the MOORISH nation. Thus, the Anglia or English language is the manifestation of all spoken Latin dialects which makes it the simplified universal language for the one race—the human race.

The history of the 12 signs of the Zodiac reveals that humanity on a global scale has been totally cut off from truth for four hundred years. Thus, the history of the 12 signs of the Zodiac has revealed to the reader the great chain of human progress through the scientific knowledge and ignorance during the past fifty one thousand and eight hundred and forty years. From the MOABITES to the MOORS, and from the MOORS to the (FRANCISCANS or the Franch or the ANGLO-SAXON.) Where the dark skinned, kinky-haired, thick-lipped MOABITE or MOORISH

woman comes from, no one knows. There is not an animal in the world that has thick lips, kinky hair and dark skin like her. All that which can be proved is that she is the Mother of male and female—the human race, who reproduce their kind. She, the MOABITE or MOORISH woman, is referred to as WIDOW. Please do not take the wrong conception, because all female or women are equally mothers and sisters, and all male sons come into being by way of them. Therefore, all sons are brothers and sons of a WIDOW.

THE REAL HELL AND PURGATORY

Ignorance of the scientific truth of the works of nature involving the inner nature, and action and reaction of human beings as shown in the 12 signs of the Zodiac, results in a confused state of mind and mental and economic and social suffering—referred to as "HELL."

THE REAL HEAVEN, FREEDOM AND PEACE (SALAAM)

Knowledge of the Zodiac gives one a perfect state of mind and reason upon that namely, the forces of nature which dwell within themselves and about them all of which is referred to as "HEAVEN" and happiness, and peace of mind with ones self.

"We have nothing to fear except fear itself." So seek scientific knowledge of the 12 signs of the Zodiac. Then you will be set free of artificial culture and fear. (SALAAM) means peace in the MOORISH language of Latin.

IT IS AGREED THAT EDUCATED SLAVES ARE THE GREATEST SLAVES, NAMELY SLAVES AS THE RESULT OF FALSE HISTORY AND RELIGIOUS DOCTRINE

Thus, the unconscious Moors of the U. S. A. referred to as Negroes, are the world's greatest slaves. They have been educated to believe that the "White" people brought their forefathers from Africa as Negro slaves, and that Abraham Lincoln set them free in 1863. All of which is the greatest fallacy that the world has ever known.

MYTHICAL HISTORY OF THE NORTH AMERICAN BARONS:

The names such as Africa, Egypt, Babylon, Indian, Negro, Greek, Mohammed and Ethiopia are that of the product of the Franciscan Dutch Priests, pirate masters of the iron cross Hapsburg legions of Brazil, South America, between the Franciscan Revolution of 1789 and the union of 1863, North America. The Moorish nation, namely, the kinky-haired, dark-skinned, thick-lipped people had no Mohammed as their prophet, and neither God nor religion. The kinky-haired Moorish nation's law is geometry and the 12 signs of the Zodiac—REALITIES, of which is described in this book, CLOCK OF DESTINY—The secrets of the Great Seal.

I have attempted to convey to the reader's intelligence that: Negro, Mohammedan, Indian and African as human beings, together is a myth, of the philosophers of the Franciscan Priesthood of the Revolution and the union, and, therefore, have no history. Whenever the so-called intellectuals, politicians, lawyers and representatives—"Negro" slaves, celebrate "Negro" history week, and boast of being proud of being a Negro, the "White" peoples of the union enjoy a haughty laugh up their sleeve, because they know that the so-called Negro slave leaders represent the blind leading the blind. Meaning Negro slaves have no rights that "White" women and men should respect. This fact is what Bilbo, of Mississippi had reference to when he once asserted, if he, Bilbo, "Could talk to the Negro from door to door as he wished, the Negro would never want to vote in white society again." Well, the contents of this little book, CLOCK OF DESTINY, has fully explained what Bilbo wished to tell the Negro slaves, but could not, owing to his obligation of the Christian religious union social order of 1863—the very same obligation that every "White" woman and man of the order of Mary and Christ are under at home and abroad. So study the contents of this little book, and thus redeem yourself from being a Negro slave by way of knowledge minus violence, guns, atomic bombs, jet planes and tanks. I, myself, am not a "Negro" slave and neither a Christian, yet I am your male brother.

The mathematic trip around the world by way of the 12 signs of the Zodiac are referred to in Mason mythology as "I am traveling East."

GEOGRAPHY OF THE 12 SIGNS OF THE ZODIAC, AND THE RISE AND FALL OF NATIONS, FROM 1605 TO 1965.

THE FULFILLMENT OF 360 YEARS OF IGNORANCE, FEAR, BLOODSHED AND DESTRUCTION

Following this geography of the Zodiac is a diagram of the earth revolving around the sun, marking the 12 months and signs during its annual revolution of 360 degrees. Each degree of the earth revolving around the sun represents a day. Thus, 12 months of the Zodiac comprise 360 days which is the complete circle of universal perfection. Firstly, I begin with Aries, the first sign of the Zodiac, Vernal Equinox. When the rays of the sun are one degree in the sign Aries, it is the first day of the spring season, and the first day of the New Year in harmony with the Universal law of nature. The rays of the sun enter Aries at Sumatra East India on the Tropic of Cancer in the Northern Hemisphere, on March 21st. Here the days and nights are universally equal. Aries, Taurus and Gemini, are the first three signs and months of the New Year. Thus, on June 21st the rays of the sun are in its last degree of the sign Gemini, which marks the end of the spring season, and the beginning of the summer season.

THREE IN THE EAST SIGNS OF THE ZODIAC 5,400 MILES

Thus, on June 21st, the rays of the sun are in the first degree of the sign Cancer. Here the earth is at right angle of 90 degrees—the longest day of the year. This 90 degree angle of the earth to the sun occurs at Wake Island in the Pacific Ocean, and is the East Gate of the Zodiac, referred to as the three in the East, meaning the first three signs of the Zodiac—"High noon."

THREE IN THE NORTH SIGNS OF THE ZODIAC 10,800 MILES

Extreme East—180 degrees. N. Y. and Boston, U. S. A.
Now the North Gate. Cancer, Leo and Virgo are the three signs in the North Gate. The rays of the sun enters Cancer at Wake Island, and ends at California on July 22nd, and enters the

sign Leo, and ends on August 22nd on the line of New Orleans; St. Louis, Mo.; Chicago, Illinois and North West Canada. Thus, all of the land from Alaska to Mexico, and from California to St. Louis, Mo.; lies in the region or the sign Leo. Universal standard time is measured from Denver, Colorado in the sign Leo. In the year 1884, the measurement of time and geography was shifted from the U. S. A. to the Island of Albion—known as the British Isle or England, at Greenwich. Thus, on August 23rd, the rays of the sun enters the sixth sign, Virgo, and ends on September 23rd at the Arch of Greenland, the deep waters of Boston, Mass., and the Eastern coast of Florida. On September 23rd, the sun is in its last degree of Virgo, the last SIGN of the North Gate—the sixth sign of the Zodiac—180 degrees. Here you are referred to the diagram of the Zodiac. Thus, on September 24th, the earth turns from the sun in the North to the sun in the southern hemisphere in the sign, Libra, at OBIDOS, Brazil, South America, and ushers in the fall season in the Northern Hemisphere, and the spring season in the southern. Here again the days and nights are universally equal—the fall EQUINOX.

THREE IN THE WEST SIGNS OF THE ZODIAC

16,200 MILES

The signs Libra, Scorpio and Sagittarius comprise the West Gate of the Zodiac on the Tropic of Capricorn in the Southern Hemisphere. The signs, Libra and Scorpio, lie in the Atlantic Ocean. Thus, the rays of the sun pass through Libra September 24th to October 23rd, and October 24th to November 21st. Scorpio, and enter the 9th sign, Sagittarius, on November 22nd at Wind Hock in South West Africa, and remains until December 21st. Thus, on December 21st, the rays of the sun are in the last degree of the 9th sign, Sagittarius, which marks the shortest day of the year. Here the earth has evolved 270 degrees of the Zodiac—the 9th month of the year, and the end of the fall season. "LOW NOON."

THREE IN THE SOUTH SIGNS OF THE ZODIAC

21,600 MILES

The signs Capricorn, Aquarius and Pisces comprise the South Gate and the last of the four squares of the 12 signs of the Zodiac and year. Thus, on December 21st, the rays of the sun enter the

sign, Capricorn, the 10th month and sign of the Zodiac, which mark the beginning of the winter season in the Northern Hemisphere, and the beginning of the summer season in the Southern.

Here the people enjoy summer in the South—South America, Africa and Australia and New Zealand, while the people in the Northern Hemisphere undergo icy winter. And in July—the people in the Southern Hemisphere undergo winter, while the people in the Northern enjoy summer. Thus, on January 19th the rays of the sun enter the sign Aquarius—the 11th month and sign of the Zodiac—mid-winter. Thus, on February 20th, the rays of the sun enter Pisces—the 12th month and the 12th sign and last sign of the year and the end of the winter season.

The 12th sign, Pisces, is the complete circle of 360 degrees or days termed a year. The Indian Ocean and Java East India lie in the 12th sign Pisces—the South Gate. Here you are referred to the diagram of the Zodiac. Opposite of the sign, Gemini, 90 degrees, is the sign, Sagittarius, 270 degrees. The earth is square. And opposite of the sign, VIRGO, 180 degrees north, is the sign, Pisces, 360 degrees south. These four points of the universe—earth are referred to in masonry as the LEVEL and the PLUMB, or the negative and the positive forces of nature upon which the world took form, the universal law of natural perfection. Upon this perfect foundation of the universal law of life, realities and existence. The Franciscan-Catholic (Daughters of the American Revolution) established the mythical or unreal doctrine of Holy Mother Mary and Son Christ, in the year of 1854. The planet Uranus governs human revolution and new social orders. It requires 84 years for the planet Uranus to pass through the 12 signs of the Zodiac. Thus, in 1928, the planet Uranus had evolved its last degree of the 12th sign, of the south Gate of the Zodiac in the regions of the Indian Ocean and Java East India. It crossed the Equator into the sign, Aries, the first sign of the East Gate of the Northern Hemisphere, and remained in Aries until 1935. That position of Uranus influenced the masses of Asia and modern Europe to revolutionary action to free themselves from under the influence of the iron-handed rulers of the Franciscan priesthood.

In 1935, the planet Uranus entered the sign, Taurus, the second sign of the East Gate in the Northern Hemisphere, and remained in Taurus until 1942. The sign Taurus rules over the Is-

land of Japan. Thus, the revolutionary influences of nature of Uranus in Taurus, the Bull sign, influenced the Japanese masses to sudden violent action against the powerful rulership of the Franciscan order. In 1942, the planet, Uranus, entered the sign, Gemini, the last sign of the East Gate, and the first 90 degrees East longitude of the Zodiac, which ended at Pearl Harbor and Wake Island in 1949.

Thus, in 1949, the planet, Uranus, entered the sign, Cancer, the first sign of the North Gate of the Zodiac, ruling from the Hawaiian Islands to the banks of California, until 1956. This region of Cancer is 120 degrees East longitude of the Zodiac. While the planet, Uranus, is in this region of the sign Cancer of the North Gate, its revolutionary influence will force the Saint Franciscan Daughters of the American Revolution to overthrow the unique system of white supremacy established by the feminine powers between 1848 and 1854 and 1863—the union of "Holy Mother Mary and Queen Vicotria," the Victory or the Victorian age, of corruption which was born out of the corruption of the half breeds Moorish society of ISLAMISM. Thus, from 1949 to 1954 or 1956, under the revolutionary influence of the positive planet, Uranus, will mark the definite end of the doctrine of the Saint Franciscan Daughters of the American Revolution namely, the Knight of Columbus of the Ku Klux Klan of the Union States rightism of the MAGNA CHARTER; and the rise of Freedom, Unity, Justice and economic and social equality, minus the names such as "white, Negro, Indian, Colored and racism."

All of the atomic bombs and the military forces of the U. S. A. and abroad, definitely cannot check the positive Revolutionary forces of the planet, Uranus, in the North Gate of the Zodiac—the Hub of the Universe—North America. Thus, in 1956, the planet Uranus will enter the sign Leo, to remain in Leo until 1963. Leo governs the western half of Canada, U. S. A., and all of Mexico. This western half of the North American continent governs our economic system—the bread basket, and oil, iron, silver and gold, and atomic elements. Thus, from the last two years of the planet, Uranus, influence in the sign, Cancer, 1954, 1956, and the seven years in the Royal sign, Leo, will affect the U. S. A. economic system to the extent that the masses of the union society will have no alternative, and as the result, the greatest economic and social change that the modern world has ever known will be made by them. Here in reality the population of the U. S. A. will rise with

the culture of the Zodiac—the universal constitution, to become the greatest economic and social and moral power on Earth, minus atomic bombs, and military forces of corruption.

Here the rest of the masses of humanity and dictators abroad will lay down their arms of war and follow us. Geometry has never told a lie. Yes, the great change must take form through a universal economic collapse, from which will automatically destroy all doctrine of isms and theological superstition on a Universal scale. Here the entire human family will enjoy Freedom—a perfect state of mind, referred to as "Heaven." The 12 Signs of the Zodiac is also referred to in Bible mythology as the "Walls of Jericho."

THE GREAT PLANET SATURN

The great planet Saturn, is the school master of the universe (earth). Thus, Saturn governs the products of the earth, economics, restrictions, sorrow, and the destiny of mankind and the rise and fall of nations. It requires 30 years for Saturn to pass through the 12 signs of the Zodiac, and 360 years to complete his major revolutions of the great walls of the Zodiac. Thus, 360 years of Saturn major revolutions of the great walls of the Zodiac—subtracted from 1965 equals 1605, the era which began with MOORISH astrologers who predicted the rise and fall of nation, which had its beginning with the Dutch pirate Priests of the Hapsburg legions Iron Cross Society of Brazil, South America.

In 1935, the planet, Saturn entered the sign Aries, and passed through the six signs of the East Gate, and the North Gate of the Zodiac from 1935 to 1950 November 21, and crossed the equator into the sign Libra in Brazil, South America, which is the first sign of the West Gate of the Zodiac. Thus, from here in Brazil, Saturn will pass through the three signs of the West Gate during the next seven years from 1950 to 1957.

Then Saturn will enter the sign Capricorn, the first sign of the South Gate of the universe, and pass through the three signs of the South Gate by 1965. Here the great planet, Saturn, will have completed his major 360 years revolution of the rise and fall of nations which had its beginning in 1605 in Brazil, South America, and will end in North America in 1965. The influences of the planets passing through the 12 signs of the walls of the Zodiac has never told a lie.

It requires one thousand four hundred and forty years for Saturn to complete four major revolutions of 360 years each. Thus, one thousand four hundred and forty years ago in the Pyramid of Ucatan in Mexico. The scientists of the MOORISH nation established the new era of ISLAM geometry, and their supreme process of scientific experimentation with electronics—the law of attraction involving plant life and animal and human beings. From which resulted the people of red or ruddy shade of skin with long blond hair, and the new era of medical science, surgery and blood banks.

The name of the head scientists of the MOORISH nation during that era is Yakub, which means in English, Jacob. Here was the beginning of the 12 tribes of humanity and global amalgamation to manifest the different colors or shades of the human skin, and the conversion of the masses of humanity into caste systems so as to manifest as different peoples from each group of the castes. A group of people with the same shade of skin and hair put into a caste so as to prevent them from conducting sexual relationship with another caste slightly different.

Their color and hair will remain practically the same. Had not the "white" people copied this system of the MOORISH nation in 1863, the union, there would not have been any "white" people on earth today. Well, since Saturn is the planet of destiny and human evolution, the caste of the "white" peoples is justified of the union 1863. In order that they might rise and rule the world and the seven seas for their first time in history. During this period of their rulership, they employed injustice against the MOORISH descendants which is true justice, owing to the mistreatments of their forefathers by the half breed cruel MOORS. This process of universal justice is referred to as retribution—meaning, we dark-skinned MOORISH descendants of the U. S. A. and abroad have fully reaped the cruel harvest of the seed sown by our forefathers—under the influence of the great planet, Saturn, the force of justice. And now the caste "white" people will have to obey the influence of Saturn against their will, from which will result in the loss of their color or shade of skin forever.

The great planet Saturn is the school master of the universe, and the force of justice who teaches mankind to reason upon right and fear no evil. I am aware of the fact that the contents of

this book is hard for the reader to understand owing to their desire to endeavor to protect the false doctrine which they have been taught to believe, but by the time the planet Uranus passes thru the signs Cancer and Leo, during the next 14 years of the North Gate, U. S. A., every living person in the U. S. A. will turn loose that which they have been taught to believe and protect. Then, the contents of this book will be just right for them to understand and cherish and to endeavor to apply the law of nature.

The great planet Saturn is still the school master of the universe, who has never failed to make one understand the difference between right and wrong or the real and the unreal—or fiction and facts. Yes, the influences of the great planet, Saturn, and the revolutionary or radical planet, Uranus, will make the intellectual masses of the U. S. A. forget all about the fictitious literature or history involving the mythical or fictitious races and nations such as African, Indian, Negro, Egyptian, and the fictitious story of Moses and the plight of the Jews, and the myth of Jerusalem, and the myth of the birth of Christ by Holy Virgin Mary. And thereby face the fact of the history of the MOABITE nation and the MOORISH nation and the Amazon Valley, South American Franciscan blond nation, of the union of Rome in 1863 North America. The "white" red-skinned people are only one thousand years old. 1,000 years subtracted from Moorish 1371 equals 371 years—Moorish Calendar Year.

Yes, the influences of the great planet Saturn and the radical planet Uranus, definitely do not debate and neither argue with the masses of humanity who are relying upon falsehood for their guidance rather than facts of life—existence and realities. These two forces of nature, namely, Saturn and Uranus, makes humanity yield to (realities—life and existence right) or destroy themselves in their endeavor to evade realities. Now pull off your shoes, and the ground on which you stand is in one whole (Holy) universal body. So let us rise and face realities and commune together as one race—the human race—Realities or right. The Zodiac represents the law of cause and effect.

The history of the MOORISH nation and the MOORISH science of the Zodiac has proven that the peoples of the U. S. A. are more overcome by fear than they are hatred. The "white" people are afraid of the revelation of the MOORISH history and science. The unconscious (MOORS) Negroes, are afraid of God,

afraid of truth, afraid of one another and afraid of hell, the devil and "Heaven." The peoples of the world do not really hate one another, the trouble is fear and ignorance. The star and crescent or the flag with the moon and star in the center is that of the living MOORISH nation of North America, referred to as Negroes. As long as geometry and the North Gate of the Zodiac live, the MOORISH nation also live. 1605 Christian calendar years is equivalent to 1025 MOORISH calendar years. The Crusade (Dutch-German priests) mathematicians added 580 mythical years to the correct Moorish calendar year of 1025. 580 added to 1196 equals 1776. 580 years added to 1283 Moorish calendar year equals 1863.

Thus, the head of the living MOORISH nation, labeled as Negroes are referred to as "Dry Bones in the Valley," meaning they are mentally dead for lack of knowledge of truth. And the "white" educators are afraid to teach them the truth. And if the "white" people would attempt to reveal to the mentally dead MOORS the truth of their MOORISH history, they would rebel against accepting it because they believe the "white" people have taught them the truth and as the result the mentally dead MOORS from the preachers on down to their followers will conceive the thought or idea that the "white" people are endeavoring to trick them.

NO WAY OUT

So this tendency have the "white" educators on a "NO-WAY OUT" spot. Therefore, the positions of the great planet Saturn and the radical planet, Uranus, ruling the North, West, and the South Gates of the walls of the Zodiac—the universe, during the next seven years will arise them from their mental death of ignorance to a living conscious beings—the head of the MOORISH nation. The influences of Saturn and Uranus will raise the people from their mental death whether I myself write it or not, because it has already been written in the universal book of nature namely, the Zodiac. I am only expressing it on paper in order that those who read it and thus become redeemed from their mental death of ignorance and thereby rise with intelligence, unity, wisdom, knowledge and understanding in order that the great economic and social change in the U. S. A. the North Gate might be brought about more rapidly and peacefully, contrary to the approaching blood bath owing to ignorance—namely, religious, racial, color and state tradition ignorance.

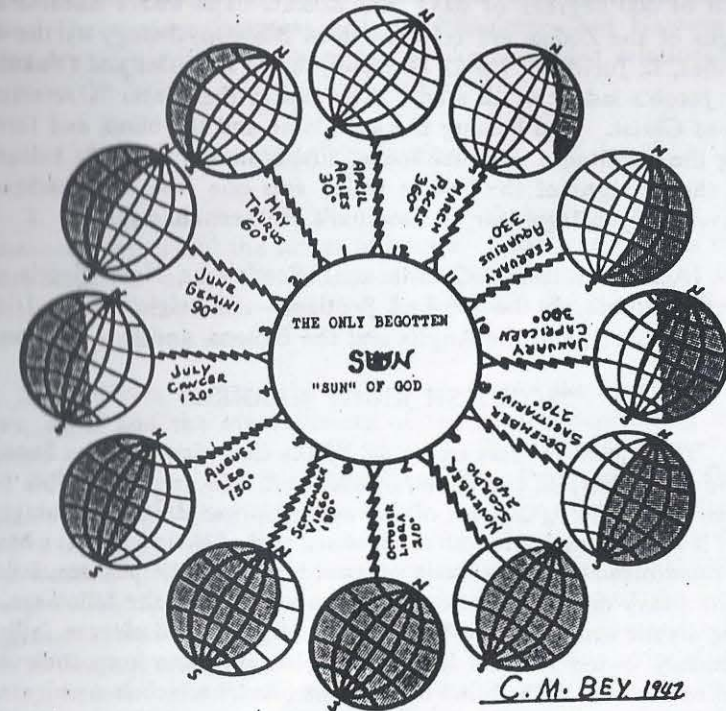

This rapidly approaching tendency has influenced me to write this little book. So let us all learn to live, instead of wading in blood up to our necks endeavoring to out-do the cycle forces of the planet Uranus and Saturn. Joe Stalin and his host are definitely not thinking about coming to take us over, as you are being taught to believe. The science of the Zodiac reveals the great fear of the "white" people of the union is Sexual Relationship between the white women and dark-skinned and brown-skinned men on a national scale. Well, the great planet, Saturn, is bound by a great circle which represents "NO-WAY-OUT." Even if I did not write it, the great ring around the planet, Saturn shall bring about this relation regardless of cost. The great planet, Saturn, recognizes only two different people in the whole of creation, namely, female and male, or woman and man. Yes, Saturn is the school master of the universe. One race, the human race, and one aim and one destiny—progress and peace.

FIFTEEN YEARS OF UNFAVORABLE WEATHER CONDITIONS

The influence of the great planet, Saturn, on the weather conditions in the Northern Hemisphere from 1950 until 1965. For the next fifteen years, the planet, Saturn, will be below the Equator in the Southern Hemisphere. Saturn crossed the equator on Nov. 21st in 1950, and will remain south until 1965. This position of Saturn results in falling weather, cold winters, floods, and chilly springs and summers in the Northern Hemisphere until 1965. There will also be numerous earthquakes.

The science of Astrology, the 12 signs of the Zodiac, is everybody's law for them to cooperate with the works of nature, and nature cooperates with them from which spell unity, perfection and progress. One does not have to belong to Church to gain benefit through applying the science of astrology, and neither do they have to employ the mystic God names such as ALLAH, GOD, CHRIST, and Mohammed as their prophet. The term, nature, is not confusing. One does not have to bow in prayer to the supreme law of nature to gain benefit. The only way for one to gain supreme benefit in life is study the works of nature as shown in the 12 signs of the Zodiac. The sign, Virgo, governs our industries and organized labor. The eastern half of U. S. A. and Canada and West Indies. Also coal mines, medical herb plants and chemistry, and granite rock composed of mica.

CLOCK OF DESTINY THE 12 SIGNS OF THE ZODIAC

This diagram of the symbol of the earth revolving around the sun has proven that the 12 signs of the Zodiac, and the natural philosophy of Astrology involving human character, intelligence, and action and reaction and human destiny, is definitely not a myth, a superstition as the Christian religious teachers and leaders, including those referred to as Masons and Eastern Star have taught the unfortunate masses to believe. You are advised to begin with the sign of Aries, and count the lines of the earth in harmony with the rays of the Sun, and end with the 12 signs Pisces. Here by reason you will agree that the Zodiac is the universal law and constitution upon which civilization is founded. Knowledge of the science of the 12 signs of the Zodiac is in reality the great password and signs qualification. Your belief in the doctrine of priesthood religious mythology will definitely not stand up against the illustrated above diagram of the earth and sun, electrically connected and reflecting moon shaped light and

darkness, marking the months or signs during its annual revolution of 360 degrees or days—the Zodiac. The above natural 12 signs of the Zodiac are referred to in Bible mythology as the 12 Tribes, 12 Jurimans, the 12 Disciples, the 12 Apostles and (Yakub) or Jacob's ladder of 12 steps. The sun in the center is referred to as Christ. And healing the sick, lame and the blind, and feeding the multitudes with five loaves simply means scientific culture of the 12 signs of the Zodiac which sets one free of priesthood slavery. Mythology fear, is mankind's greatest enemy.

(Acadia) is today Canada and (Scotia) or Nova Scotia of North Canada, is the original Scotland—the origin of the Irish and the Scots, and the Anglia and the Saxons, and the Belgians.

"SCOTTISH RIGHT KLANISM"

The Mystic phrases employed by the Christian (Master Potentate or Priests) of the Union of 1863 and 1868 are responsible for their followers' ignorance of the applied principles of the universal law and constitution of the Zodiac. All of their followers have is blindfolded secrets, mystic passwords and mystic phrases, laden with heavy dues or taxation. It is impossible for the followers of the mystic orders of the U. S. A. to enlighten and elevate falling humanly owing to their blindfolded obligations to keep their so-called secrets. "The blind leading the blind," which is a universal disgrace against the perfect law of the Book of Nature—the 12 signs of the Zodiac. Our boys are paying the price on the battlefields, today.

One's M. A., M. S., B. A., B. S., D. D., L. L. D., Ph. D. and Alpha, Beta, Kappa, Gamma to Omega, especially if their skin is dark brown, means very little to them in a practical manner until they have absorbed the revelation of the Moorish history and the science of the Zodiac as shown in this little book. All M. D.'s possess universal knowledge of the Zodiac.

THE UNDEFEATED MOORISH MARINE FORCE OF NORTH AMERICA AND IN THE PACIFIC OCEAN 1853 AT THE GOLDEN GATE, CALIFORNIA

The (Japanese or Spanish) are the product of the undefeated MOORISH Marine Force in the year 1273 Moorish Calendar Year, which is equivalent to 1853 (Crusade-Croix) or Christian Calendar

Year. During that era their skin were dark brown. They also had thick lips and kinky hair. So also the Moors of the modern Hawaii and the Philippines had thick lips and dark skin and kinky hair. The modern Japanese and the Philippines and Hawaiians skins are of a golden shade owing to the one sided relationship between the "white" men and dark skin women.

"KING SOLOMON"

1. "King Solomon" is the earth which contains all of the elements, wealth and the forces of nature. Thus, the earth is the store house or all of the wealth of creation which makes it the wisest "man" or planet. So, also, the human body contains all of the elements of the earth.

2. "Hiram Abif" is the Sun, which marks the months, seasons, signs and the measurement of time and space during the earth's annual revolution of 360 degrees. The "Grand Master" is the Fall Season, Oct., Nov. and Dec. The Fatal Blow is Dec. 21st or Jan. 1st, when the Sun enters the sign, Capricorn, and ushers in the winter season in the Northern Hemisphere. Here the cold weather strikes its fatal blow to plant life. And in mid-February the earth evolving or arising from the slumber of the winter season toward the Spring season for reviving or resurrection of warm weather and plant life. Thus, the approaching grip of the spring season against the winter season is referred to as "the strong grip of the Lion's Paw," meaning the spring season has raised plant life from its death bed of frozen earth to a living perpendicular—New Life, on March 21st or April 1st—the Vernal Equinox.

(a) The Vernal Equinox.

(b) After the earth has completed its 360 degrees in the 12th sign, Pisces and evolves to the first sign, Aries, then the mystic names such as "Wishful Master" and "The Ram In The Burning Bush" are employed, meaning the heat of the earth and sun is in the Northern Hemisphere for six months. The period of planting, cultivating, vacation and return for harvest.

"QUEEN OF SHEBA"

3. "Queen of Sheba" is the five great principles of the 12 signs of the Zodiac, namely Wisdom, Understanding, Unity, Peace

and Progress. King Solomon's Temple is the human body and earth. The human body—the real Temple is created by Mother from conception to birth in the course of nine months without the use of nails and the sound of a hammer. Thus, the human body is the Temple of GOOD of Mother's grand perfection referred to in mystery as "GOD." The union 1863 tradition of white and colored masons is a universal disgraceful violation of the supreme law of Masonry.

ORIGIN OF THE TERM MASON

The term Mason is derived from (Womb-man-son) meaning woman and son. (WO) is negative (womb) and (MAN) is positive, meaning the powers of the womb of female are responsible for the creation of sons in the course of 9 months which makes women supreme master creators of both female and sons from unformed matter planted by another son of a female. Phrased together spells (Womb-man-sons) or woman and sons. (Wo) was struck out, and (n) was struck out leaving (ma) phrased with (son) which spells (Mason) Thus woman, sons and child reproduction comprise the great triangle (3 in one) of universal supreme creation of humanity. Woman has no father and neither husband, for all male sprung from her. Where woman comes from, no one knows. This makes her a widow.

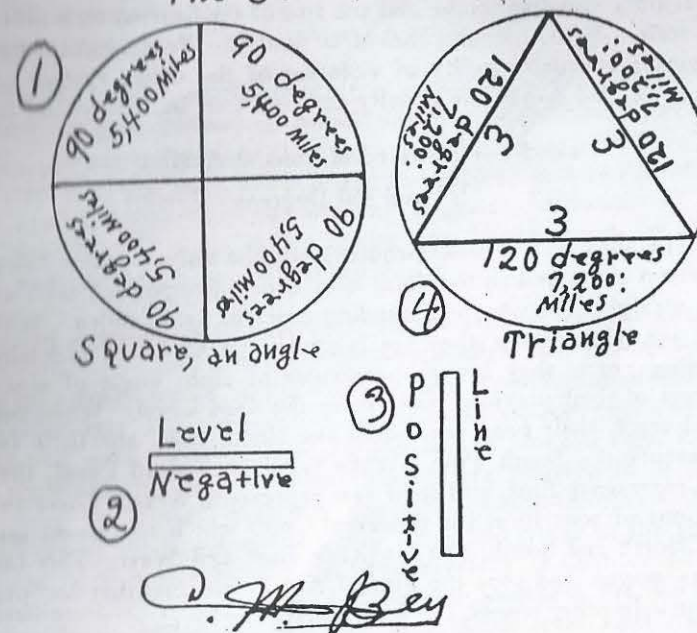

The CROSS is in Reality the Positive Number

10 which symbolizes X or (+) Plus

or the Level and the Plumb

Thus, the Level, negative, and the Plumb, positive, represent the negative and the positive forces of nature, namely, female and male, upon which the world took form.

The SCIENTIFIC Symbols of the Zodiac

Had not the Moorish nation established the science of geometry, there would be no way of calculating the months, seasons and years, and the measurement of time and global geography upon the above diagram. The Moorish nation established the dollar system and the four quarters of the dollar which represent the four quarters of the earth. The dollar system was handed down to the Franciscan fathers of North America by the Moorish nation. That is the basic reason why the U. S. A. dollar has ranked superior over all other monies of the Christian nations of the world today.

The four quarters of the U. S. A. Moorish dollar represents human equality, moral principle, justice, peace, economic and social progress on a universal scale. The Moorish nation violated their own dollar system by imposing taxes upon the Amazon

"white" people without representation which resulted in the fall of the Moors and the rise of the union order in 1863. From 1863 to the present, the Amazon "white" people have imposed taxation upon the Moorish descendants referred to as Negroes, without representation which has resulted in the fall of the union Christian order on a universal scale, and the rise of civilization on a universal scale. Both, namely, the Moor and the Franciscans Anglo-Saxons are equally guilty of violation of the dollar system and, therefore, had to pay the penalty through war, bloodshed and fall

Food For Initiated Masons, 3rd, 32nd,
33rd and 360 Degrees

The sons of a widow (woman) are the only supreme beings of whom can stand in the form of a Cross, five-pointed star, and in a straight line whether standing erect or lying down. When sons are lying asleep, they are lying on a dead Level, and when standing erect, they are perpendicular at right angle of ninety degrees of their previous position on the dead Level. When sons stand erect, their head represents the North Pole, and their feet represents the South Pole. When lying on a dead Level, their head represents East, and their feet represents West. These two positions of sons form the universal Cross which represents latitude North and South, and longitude East and West. This fact makes woman and sons the great I AM in life, creation and perfection. In other words, the foundation of geometry.

Sons can also stand in the form of a Cross with their arms extended from each side. They can also stand in the form of a five-pointed star with their feet far apart. Their head No. (1), their right arm No. (2), their left arm No. (3), their right foot No. (4) and left foot No. (5). Thus, sons represent the five great principles of woman's universal supreme perfections in the course of nine months.

The Six-Pointed Star of the Moorish Nation
Referred to as the "Jewish" Star of David

The first triangle represents the North Gate—the summer season. The second represents the South Gate—the winter season. These two triangles together form a six-pointed star—summer and winter, or North and South—all there is. As above so below, or the two tables of stone.

The Land of Nod as Shown in the Zodiac

The sixth sign, Virgo, 180 degrees as shown in the diagram of the 12 signs of the Zodiac in September when the sun enters the sign, Virgo, the last month and sign in the Northern Hemisphere which marks the end of the summer season and the beginning of the fall season, are referred to in mystic religions and secret orderism, as the land of "Nod," meaning North Pole.

In the science of Astrology and Electronics, the North Pole is referred to as (Node) or Anode, and the South Pole, as shown in the 12th sign, Pisces, in the diagram of the Zodiac in March, the last month of the year, are referred to in the science of Astrology and Electronics as Cathode, meaning negative, opposite of the Positive North Pole as shown in the sign, Virgo, Anode or Node or "Nod"—180 degrees and 360 degrees.

The positive North Pole is there, the positive electric current flows to the negative South Pole—Cathode, which is responsible for perpetual motion of the earth's annual revolution of 360 degrees or days, and spring, summer, fall and winter—north, south, east and west. The rays of the sun in the seventh sign, Libra, as shown in the diagram of the Zodiac, are referred to in Bible mystery as "Ham," meaning the fall season—October. When the rays of the sun enter the sign Aries and usher in the spring season April are referred to in Bible mystery as Cush or KUSH, meaning rebirth of plant life, and planting season in the Northern Hemisphere. "Ham went West," and "Cush went East", scientifically means the fall season and the spring season or the Vernal Equinox and the fall Equinox. Here you are referred to the diagram of the Zodiac 180 degrees and 360 degrees, and thereby recognize the universal fact.

RELIGIOUS MYSTERY NAMELY, ISLAMISM, JUDA OR JUSUITISM OR CATHOLICISM

The above mentioned religiousisms, superstitions, are founded upon the negative South Pole—Cathode, from which were derived the terms Catholic, and the Church, Temple and Mosque system of mystic Gods, prophets, superstitions, religious worship. And Sultanate Priesthood dictatorship and human mental slavery, religious denominations, human hatred, fear, segregation, ignorance,

crime, war, bloodshed and human and property destruction. As the result of negative, culture, contrary to unity, peace, justice, truth and economic and social progress. The teachers and followers of all religions are referred to in Bible mystery as the children of "Abel" and Seth, meaning Priesthood Sultanate dictatorship—Kings and Queens—or the Royal Family.

CAIN, THE CHILDREN OF LIGHT

The women and sons who rebelled against the negative system of Cathodism between 1789 and 1863 North America, are referred to as the children of "Cain", or the sons and daughters of light, meaning scientific knowledge of the universal law of the Moorish nation as shown in the 12 signs of the Zodiac.

Those Amazon "white" sons and daughters of Cain, in North America, are referred to as the mystic "Turks" or the "Arabian Knights" or "Cain" who slew "Abel" and "went to the land of Nod." He met his wife whom he had never seen, yet they both knew each other. Well, Cain's wife is the sixth sign, Virgo, of the Zodiac the half way sign of the stomach and earth—180 degrees east longitude—the North Gate which culminates in the deep waters of Boston, Mass., U. S. A. Anode—Node or the land of Nod. (G) Geometry has never told a lie the square and angle of 90 degrees or the square and compass, which is the universal law of the Moorish nation, referred to as Negroes.

KEY OF CIVILIZATION

Geometry is the universal law of perfection—the science of the cultured Moors, which has, and always will, be in the hands of the kinky-haired Moors of North America. Thus, the Moorish nation of North America, referred to as Negroes cannot be destroyed. The cycle of global war generated by Cathode Priesthood dictatorship behind closed doors will redeem the Moorish nation of North America, during global war III. The sons and daughters of Cain "White" referred to as Masons and Eastern Stars, are the ones who have protected the Moorish key of civilization of the North Gate so as to prevent the sons and daughters of Abel, of the negative Cathode or Catholic religious order from ever becoming President and the First Lady of the land, even though the powers of the sons and daughters of Abel have made the North Gate very dark owing to organized Priesthood religious dictatorship.

Nevertheless, the 3rd, 32nd, and 33rd degrees sons and daughters of Cain have held their own toward safe guarding the North Gate. As for this act, the sons and daughters of Cain shall rise in unity with the Moorish nation to never fall again. "TUBAL CAIN"—180 degrees—the I AM, the great I AM—the widows sons of 9.—North America.

The following are the Latin alphabetical symbols of the Moorish nation referred to as Egyptian, Hebrew, Greek, Arabic and English:

Latin or Arabic Symbols of the Alphabet	As Expressed in Arabic	Names of in English
I	A'li F.	A.
U	Ba	B.
T	Ta	T, or C.
Th	Tha	Th, or D.

C. H. Bey

There is no alphabet that can go beyond the above alphabetical symbols of the Moabite and the Moorish nation—The fathers of civilization.

The following is the Moorish color code of electronics which describes the unit of resistance, current and voltage:

0—symbolizes Black	5—symbolizes Green
1—symbolizes Brown	6—symbolizes Blue
2—symbolizes Red	7—symbolizes Violet
3—symbolizes Orange	8—symbolizes Gray
4—symbolizes Yellow	9—symbolizes White or Light

This is the foundation of creation of the world and the universal code which enables woman, the widow and sons to harness the invisible forces of nature namely, electricity, atomic energy, radio and television, and defy the laws of gravitation by floating in space and also conquer the depths of the high seas, and all of the elements of the earth, plant, animal, insect, fish, fowl, reptile

and the human body. Zero symbolizes the universal mind of woman who represents the whole of creation, space and time or father time. Where she came from, no one knows.

THE FOLLOWING IS A REPRINT
FORECAST OF MY PUBLICATION
CLOCK OF DESTINY (One) 1947

In geography and Astrology, the terms degrees and parallels are similar. Thus, the 40th degree of North latitude involves the Mystic Royal Crown of rulership of the Franciscan Roman Cross nation of the world today—the 40th parallels, north.

Fresno, California; Denver, Colorado; Springfield, Illinois; Columbus, Ohio; Philadelphia, Pennsylvania; Wheeling, West Virginia; and across the Atlantic Ocean to Madrid, Spain; Flers, France; Larissa, Greece; Turkey; Korea; and the Sea of Japan, and across the Pacific Ocean back to California, U. S. A.

All of which lies on the 40th degree of North latitude of the geographical Zodiac. This 40th degree of North latitude involves World War III which will result in the restoration of civilization of ISLAM. (I AM)—CIVILIZE.

The human heart is the vital organ of the sun.

2nd Day—MOON, Electron, negative.—The circle of the center of gravity which governs the human mind, feeling and muscles.

Monday is derived from (Kamrun) Latin, meaning Moon-

Day. Water, air, salt and silver—Biology. The moon is exalted in the Islands of the Philippines, and Japan, Korea and U. S. S. R. in the sign Taurus.

3rd Day—MARS, Voltage

Tuesday is derived from (Tiu) Latin, meaning Mars, the force of evolution. Iron, steel, construction and industry. Mars is exalted in Union South Africa in the Sign Capricorn, the South Gate.

EQUAL EDUCATION MEMORY

The human subconscious mind, the reasoning mind and the super-conscious mind represent the God of creation. All human beings are equally endowed with inalienable rights.

4th Day—Mercury. Wednesday is derived from (Dies Mercurii) Latin, meaning the God of forethought, namely, woman and sons. The God of the wind and the creation of the world. In North American barbarian mythology, the planet Mercury (mind) is referred to as "Moses, Socrates, Prophet and Odin and Odinsday meaning Wednesday. (Chemistry.) The planet Mercury also governs freedom of speech, freedom of thought and the press. The planet Mercury is exalted in N. Y. and Boston, U. S. A. in the sign Virgo—180 degrees—the last of the North Gate.

5th Day—Jupiter. Thursday is derived from Jeudi or Juvis, Latin, meaning wisdom of medical science, health, wealth and progress, gold. In North American barbarian mythology the planet Jupiter is referred to as "Jupiter or Saint Peter" and "Thor." Thursday, meaning Thursday. Thus "ODIN and THOR" are the first two major mythical Gods of the North American barbarian tribes. Jupiter is exalted in the region from Hawaii to California in the sign Cancer.

6th Day—Venus.

And with you be peace:
(Wa Alaikum Assalaam) Moorish, Latin

Friday is derived from (Freya or Frigga) Latin, meaning lady of love or woman, the God of creation of sons, unity, music, peace and enjoyment. And rested or relaxed on the seventh day. In North American barbarian mythology Freya is phrased: "In the six day God created heaven and earth and rested on the seventh

day." In reality, woman and sons recorded the names of mythical Gods, as weapons of power over one another from which has resulted in human mental slavery on a universal scale. Venus is exalted in the 12th sign Pisces in the region of Java E. India, 360 degrees. Opposite N. Y., U. S. A. 180 degrees.

7th Day—Saturn Saturday is derived from (Saturn) Latin, meaning the elements of lead, tin, carbon, coal, dye and diamond. And the 90 degree span or 7 day change of the face of the moon. Moon-Saturn, the time marker of the Universe and evolution, and restriction. The planet Saturn is exalted in the seven sign Libra, in the region of Brazil, South America. The orbit of Saturn is ruling Brazil from November 1950 to 1953. The descendants of the North American barbarians known as the (Jewish, Moslem, Mohammedan, Catholic, Christians) religious mythology are founded upon (Freya) Friday and (Saturn) Saturday or the planets Venus and Saturn. The descendants of the North American barbarians are also referred to in religious mythology as the tribes of "ISHMAEL," meaning priesthood, tramps, thieves, robbers and murders by trade as the results of ignorance owing to religious mythology. The "ISHMAELS" were in power throughout North America prior to the union of 1863. Ransom was one of their greatest procedures for money or land. The "Ishmaels" laid the foundation for Wall Street, N. Y. Feudal Imperial Rome

(PROVEDENCE) Latin

The term provedence is derived from Latin meaning to (prove and provide.) That is to say, be guided by scientific knowledge of reality and share it with the unfortunates in order that they might become qualified to liberate themselves mentally and thus solve their own problems. God is science of the human mind—realities. The devil is religious mythology, unreal, which spells emotional religious insanity, human hatred, disunity, fear, violence, war and human destruction. Ones who only believe in (Provedence)—realities and self and humanity and knowledge of solution of problems of life. They are violently and secretly hated by ones who believe only in "Allah, God, Christ, Jehovah, Jesus," religion, church, temple and mosque. Such is the power of religious insanity. This insanity makes religious peoples condemn the very thing which they proclaim to love, namely, the living truth—the works of nature—the Zodiac which is in reality themselves. This process of religious insanity makes them unconscious criminals, crucifies and murders by trade.
